Marlana Jones-Young

CTE- Educator Preparation 1 and 2

Hi, My name is Marlana Jones-Young, and I grew up in Yazoo City, MS. I am a mother of 5 and a wife to Charlie Young. I graduated from Yazoo City High in 1996. I continued my education at Hinds Community College with an A.A. in general studies and at Jackson State University with a B.S. in Biology and an M.S. in Early Childhood Education. I taught science in grades 5th, 7th, 8th, 9th, and 10th. I enjoy teaching and am so excited to watch each student grow, develop and learn this year to become our next best effective teacher. I aim for every student to receive skills, values, and professionalism while training with me in our outstanding Career and Technical Program at Yazoo County High School.
