

Upcoming Events

- Jan 30: Vision Research will be here
 - February 14: Valentine party (more information to come)
-

Reminders

Laptops need to be charged every night. Students work on the computers every day, and students are wasting a lot of time trying to find a charger and get plugged in to begin their assignments. This particularly becomes a problem causing delays on testing days.

Please make sure that students are arriving to school on time. We begin instruction by 7:50am. If your child is out for any reason, please remember that an excuse needs to be sent to school with them the day they return. You may also email or fax the excuse to the school if needed.

Learning Focus

Language Arts:

- Read Alouds: Being Fit/ Germs Are Not for Sharing
